Position: Cross-border country administrator – IRAQ /SYRIA

Duration: 3 months with possible extension

Deadline: 20th of April

GENERAL CONTEXT

Un ponte per... (UPP) is an Italian Ngo and no-profit organization established in 1991. It began its activities as “Un Ponte per Baghdad”, right after the end of bombings on Iraq, with the aim of organizing solidarity initiatives in support of the Iraqi civil society.

Later on, the Un ponte per... activities have been extended to Serbia and other MENA countries.

In Iraq, during the last 20 years the association has been implementing projects in the fields sanitation, culture and education thanks to the support of Italian and international donors.

After the 2003 conflict, UPP started to support Iraqi civil society in its effort to protect the cultural heritage, the human and environmental rights, the minorities, and to defend freedom of expression and association. Following the last regional conflicts the association has been also active in the field of humanitarian interventions, first aid and on-going distribution of basic living needs.

The team is based in North East Syria (NES) for most of the time with frequent visits to the project locations and to the other UPP offices in the area. Trips to field are done whenever the situation allows. The UPP mission in NES is currently working in several locations and supporting PHC and hospitals. Most of the medicines and equipment provided to these health facilities are imported from the neighboring Iraq, through the territory of the Kurdistan Regional Govt. Social and political situation together with the ongoing war pose a number of daily challenges to the supply chain.

Organization setting: the appointed Cross-border Country Administrator refers directly to Financial Director, and is conversely reference point to all appointed PMs and administrative personnel of all UPP Offices operating in Iraq and Syria.
