Position Title: Medical Advisor Child Care and Nutrition Program

Location: North East Syria or Remote Work in case of lockdown of the Country

Period: 4 months, with possible renewals

Closing date of the vacancy: 21 November 2021 (applications on a rolling basis)

Starting date: ASAP

Context Presentation: Un Ponte Per (UPP) is an Italian NGO established in 1991. It started its activities as “Un ponte per Baghdad”, in the aftermath of the first Gulf war, with the aim of organizing solidarity initiatives in support of the Iraqi civilian population. In subsequent years, UPP missions expanded to include Serbia and other Middle Eastern and Mediterranean countries. The NGO aims at preventing armed conflicts, protecting human rights and supporting local civil society, especially in the Middle East, by promoting the nexus between its humanitarian, peacebuilding and development programs.

Since 2015, UPP has been one of the leading INGOs in the North East Syria (NES) response. Providing humanitarian aid and capacity building of local actors in Health and Protection as well as environmental health, including waste management. In partnership with local partners, UPP has been able to develop a comprehensive system of health services delivered in 26 facilities, including mobile units, hospitals, primary health care centres, and an ambulance network. CONTEXT BACKGROUND: Conflict and displacement continue to affect North East Syria (NES), while needs are heightened due to the COVID-19 outbreak, impacting the provision of healthcare services, especially in remote areas and IDPs camps across all governorates. In continuation with previous Actions, UPP and partners aim to ameliorate living conditions and save lives of war-affected persons in NES by improving access to emergency and primary health care, life-saving obstetric and Reproductive Health (RH) services, and support the COVID-19 preparedness and response. Through a strengthened community-based strategy, UPP and partners will provide prevention outreach in health and protection to support local resilience. Through a flexible structure and a wide geographic coverage, the Action aims to provide the capacity to quickly assess and respond to emerging health and protection needs in different locations in NES.

DEFINITION OF THE POST

The Medical Advisor (MA) will work under the supervision of the Medical Coordinator in the Health Department of UPP NES Mission to ensure the design, implementation, monitoring and evaluation of the activities related to Child Care and Nutrition, in UPP supported facilities in NES, through the design and the application of a comprehensive Child Care and Nutrition Programme and related Clinical Protocols or the revision of existing ones.
