

VACANCY MEDICAL COORDINATOR

Position Title: Medical Coordinator

Location: North East Syria

Period: 12 months, with possible renewals

Closing date of the vacancy: 25th September 2023 (applications on a rolling basis)

Starting date: ASAP

Context Presentation: Un Ponte Per (UPP) is an Italian NGO established in 1991. It started its activities as “Un ponte per Baghdad”, in the aftermath of the first Gulf war, with the aim of organizing solidarity initiatives in support of the Iraqi civilian population. In subsequent years, UPP missions expanded to include Serbia and other Middle Eastern and Mediterranean countries. The NGO aims at preventing armed conflicts, protecting human rights and supporting local civil society, especially in the Middle East, by promoting the nexus between its humanitarian, peacebuilding and development programs.

Since 2015, UPP has been one of the leading INGOs in the North East Syria (NES) response. Providing humanitarian aid and capacity building of local actors in Health and Protection as well as environmental health, including waste management. In partnership with local partners, UPP has been able to develop a comprehensive system of health services delivered in 26 facilities, including mobile units, hospitals, primary health care centres, and an ambulance network. For further information please refer to our website:

www.unponteper.it/en/

CONTEXT BACKGROUND: Conflict and displacement continue to affect North East Syria (NES), while needs are heightened due to the COVID-19 outbreak, impacting the provision of healthcare services, especially in remote areas and IDPs camps across all governorates. In continuation with previous Actions, UPP and partners aim to ameliorate living conditions and save lives of war-affected persons in NES by improving access to emergency and primary health care, life-saving obstetric and Reproductive Health (RH) services, and support the COVID-19 preparedness and response. Through a strengthened community-based strategy, UPP and partners will provide prevention outreach in health and protection to support local resilience. Through a flexible structure and a wide geographic coverage, the Action aims to provide the capacity to quickly assess and respond to emerging health and protection needs in different locations in NES.

DEFINITION OF THE POST: The Medical Coordinator is responsible for the technical design and the implementation of the UPP Health Strategy in NES. The Medical Coordinator works under the supervision of the Head of Mission and the Desk Officer NES (Health) at HQ level as his line managers, coordinating the UPP Health Department at mission level. He will ensure high-quality of health care and implementation of health programs in all supported health facilities and areas of intervention. The Medical Coordinator participate in the relevant working groups and provides technical and health-strategic inputs during proposal development periods, and in anytime he is required by the HoM, and/or the Desk Officer NES (Health).

Key Duties and Responsibilities:

The Medical Coordinator will be responsible for:

Programme Design And Development

- Responsible for defining, monitoring and updating the medical strategy, annual plan of UPP, reflecting the identified health needs from the field into the strategic vision and project objectives, priorities and resources required to meet the medical and humanitarian needs of the population at risk, and ensuring that the objectives and targets set out in the annual plan and project plans of the Mission are achieved
